We ensure that children have opportunities to be outside on a daily basis, all year round, whatever the weather. As well as a pair of wellingtons warm clothing is needed during the colder months and a sun hat and sun cream during warmer months.

Early Years Foundation Stage (EYFS)

In line with the EYFS and the Every Child Matters Framework we provide challenging opportunities for children to learn in a safe and stimulating environment. Activities on offer to your child provide a rich educational experience tailored to meet the needs of your child as an individual.

Your child will be allocated a Key Person who will plan individually for your child and will maintain a learning journey recording their progress.
